ALL WARTBURG WELCOMES SENIORS

PLANS LAID FOR JUNIOR-SENIOR ENTERTAINMENT

Theatre Party Will Precede Cabaret Dinner.

A theatre party followed by a cabaret dinner will be presented by the juniors May 15 as the entertainment for the senior class, according to a decision at a junior class meeting held April 23.

Temporary plans laid by a committee composed of Martin Ackermonn, Erich Hoefer, Arno Oberleiter, Rosolma Neubauer, and Henrieta Lambrecht include attendance at "Mr. Deeds Goes to Town" at the Palace theater. Following this, a program on the Wartburg campus has been arranged, the noture of which has not been announced.

Funds for the annual entertainment were raised by a program, consisting of two one-act plays and an amateur hour, held April 17.

Committees appointed by Arnold Karsten, junior class president, to manage the junior-senior affair are: entertainment—Rosalma Neubouer, Walter Krebs, and Herbert Jeeh; decorations—Martin Ackermann, Arno Oberleiter, Ina Voelker, Henrietta Lambrecht, Ed Jahr; refreshment—Hiltrude Braulick, Ila Cottermann, Frances Tweito, Carl Schultz, William Riekert.

SEIDEL, KARSTEN TO HEAD ANNUAL

Rosalma Neubauer and Herbert Adix Will Be Assistants on 1937 Annual Staff.

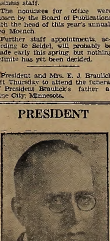
Erwin Seidel and Arnold Karsten were elected Fortress heads for next year in a student election during convocation last Friday. Rosalma Neubauer and Herbert Adix, runners-up in the election, were chosen assistants to the two heads. Seidel, assisted by Miss Neubauer, will manage the editorial department. Karsten and Adix head the business staff.

The nominees for office were chosen by the Board of Publications with the head of this year's annual, Leo Moench.

Further staff appointments, according to Seidel, will probably be made early this spring, but nothing definite has yet been decided.

President and Mrs. E. J. Braulick left Thursday to attend the funeral of President Braulick's father at Pine City, Minnesota.

PRESIDENT



The Rev. E. J. Braulick, president of Wartburg college, has been a member of the faculties of Wartburg Normal College, Waverly, Eureka Lutheran college, and Texas Lutheran college, where he was registrar, vice-president, and head of the department of English.

He has done academic work at Wartburg college, Clinton, at the Universities of South Dakota, Minnesota, and Texas, and at Capital University, where he received his M. A. degree. He was for three years pastor of Zion Lutheran church at Oelwein. He is now secretary of the American Lutheran church.

Wartburg Is Fully Accredited

IOWA BOARD APPROVES ALL COLLEGE WORK

Recognize All Credits And Degrees of Wartburg.

Wartburg College was given full standing as an accredited senior college by the Intercollegiate Standing committee of Iowa at its meeting on April 10.

This action followed the recommendation of a sub-committee which had inspected Wartburg last January. The sub-committee included Dr. Coover of Ames, Dr. Nelson of Cedar Falls, and Dr. H. C. Dorcas, registrar of the Stote University of Iowa.

This group complimented the school at the time of their inspection and reported favorably to the general board, which then fully accredited Wartburg.

As a result of the accreditation, credits and degrees conferred at Wartburg will now be recognized and accepted by all Iowa state schools, including Iowa University ond the two colleges at Ames and at Cedar Falls. It is customary for other schools throughout the country to recognize this accreditation.

Rev. Braun, field director, commented last week on the accreditation of Wartburg by the North Central Association. "The Wartburg College Board has authorized an application for accreditation by the North Central Association that a representative of the association will come to Wartburg in the near future and will make his recommendation concerning necessary steps for accreditation."

A representative of the Illinois department of education, Dr. Karl Adams of Northern Illinois State Normal College at DeKalb, inspected the department of educotion on April 14. Dr. Adams also visited the Waverly public schools, where Wartburg students are engaged in practice teaching.

About twenty Wartburg students attended the St. Olaf Choir concert at Waterloo on April 29.

WELCOME SENIORS

In President Braulick's absence, due to the death of his father, I bid a hearty welcome to you seniors of the high schools of this vicinity who are invited guests at Wartburg college on Senior Day. I hope that you will enjoy your visit with us, and that your first contact with our foculty, our students, and our campus may be the beginning of a more intimate acquaintance in years to come.

G. J. Neumann,
Dean of the College.

Heist Gives Organ Recital at Dubuque

Prof. E. G. Heist gave a Bach organ concert for the students and faculty members of Wartburg Theological Seminary at Dubuque, Iowa, on April 21. He gave a lecture on the organ music of Johann Sebastian Bach and then played some of his free preludes, chorale preludes, toccatos, fontasies, and fugues. In compliance with a request from some of the students Mr. Heist played some of his own organ compositions at the close of the program.

COLLEGE MIXED CHOIR TOURING NORTHERN IOWA

Mixed Octet Presents Special Numbers on Program.

The Wartburg College choir is on its first tour through northeastern Iowa. The group opened its series of programs yesterday with appearances at Oelwein, Arlington and Strowberry Point.

The itinerary of the choir includes a program tonight at Manchester, Tuesday, at Independence, Wednesday at LaPorte City and Allison on Thursday. The five-day tour ends with a concert at St. Paul's church in Waverly, Friday, at 2 p. m.

Small Group Assists.

Miss Frances Tweito, soprano soloist, and a mixed octet will present special numbers on the tour. Members of the octet are Mary Spalding, Evelyn Moulton, Hedwig Rausch, Margaret Kuethe, Ervin Seidel, Kenneth Koch, Alfred Mardorf, and Erhard Schalkhauser.

The chorus program is divided into three groups, each of which includes one number by the octet.

JUNIORS, SENIORS, THE TIME IS AT HAND

While recent student activities are still fresh in our minds and new and bigger events are looming up before us let us stop for a moment and put our ears to what the juniors are so anxiously talking about, and our imaginations to what the seniors are expecting.

Yes, the time is here. Only a few weeks remain for us to make the most of the fellowship of our student seniors.

It is with the juniors at Wartburg as it is with so many junior classes of other schools. For weeks ahead of time plans are being made and put into effect so as to make that final event of the two upper classes prove colorful and entertaining. How pleasing it is for an alumnus to look back upon those last days before graduation and recall the fun experienced at the junior senior gathering.

Usually when we speak of the juniors entertaining the seniors the thought of a banquet comes to our minds. This, however, will not be the case at Wartburg this spring.

In the early part of the evening the entire group, including seniors, juniors, and guests, will review a selected dramatic production on the silver screen. Upon returning to the college banquet hall which will have been appropriately decorated to represent an open-air cabaret the seniors will feel that they have been mysteriously transported into a scenic spot where the esthetic nature is gratified by song and music.

After putting everything together into one full evening of amusement it may be said that this will be one of the greatest events on our social calendar.

A WORD OF SYMPATHY

The Trumpet wishes to express its sympathy and that of the entire college to President E. J. Braulick upon the death of his father, Mr. Frank Braulick of Pine City, Minnesota.

WARTBURG AND YOUR FUTURE

What of your future? Do you intend to enter the field of Business, Commerce, Engineering, Journalism, Law, Medicine, the Ministry, Music, Research, or Teaching? If so, several years of college work will be necessary in most instances. Let Wartburg serve you.

Or are you not as yet quite certain which vocation you wish to follow? A college education is desirable and helpful for every position in life. It trains your mind, broadens your horizon, introduces you into the great fields of human interest, gives you the proper estimation of what is good, beautiful, and worthwhile. It gives you a better understanding of the fundamental problems of the home, the church, the state. It helps you find your place in human society, and to live a useful and purposeful life . . . provided you select the right school.

Why Choose Wartburg?

Because Wartburg is fundamentally a liberal arts college, offering varied curricula in the humanities, social and natural sciences, assuring the necessary broad cultural training.

Because in addition, it offers vocational training for the numerous professional and pre-professional courses outlined above.

Because its library, classroom, and laboratory facilities are excellent, and its scholastic standards are high.

Because it has a competent faculty, embued with Christian ideals, intent on aiding and inspiring the youth of America, and helping them secure an education which is complete and worthwhile.

Because the ratio of faculty to students is one to ten, assuring the maximum of personal attention, and enabling the student to attain the utmost in individual development and achievement.

Because Wartburg maintains a full extra-curricular program, offering opportunity for all to participate and enjoy the recreation, practical training, and experience in leadership which these activities afford.

Because Wartburg keeps costs at a minimum without sacrificing quality, enabling also those of limited means to acquire an education.

Because Wartburg is positively a Christian school, promoting those principles and virtues which alone can make for good citizenship and leadership.

Wartburg provides an opportunity for young men and women to prepare themselves for a future of intelligent, purposeful, and noble living.

SUMMER SESSION BEGINS JUNE 6

Courses of Six and Twelve Weeks Planned for Arts and Normal Students.

The Wartburg college summer session will officially begin June 6. A six-weeks term of five days a week for normal and liberal arts credits wil comprise the session.

A standard twelve-weeks normal training course for high school graduates who plan to teach in rural schools this fall will also be offered if a sufficient number of applications is received before May 20.

This course, if given, will be taught in a ten-weeks session, six days a week in accordance with the requirements of the Board of Educational Examiners.

The course will offer the following subjects: rural school management, elementary school methods, geography, principles of arithmetic, United States history, American government, each daily one hour for ten weeks with 3.3 semester hours credit.

Twenty-five dollars would be the tuition for this normal training course, which would run concurrently with the six-weeks term and would end August 15.

There will also be offered two of the Sunday School Teachers' Training courses recommended by the Board of Christian Elementary Education of the American Lutheran Church, which will run simultaneously in a two-weeks session opening June 15; a survey course in the New Testament, daily one hour, and a course in psychology as applied to Sunday School work, daily one hour. For these courses a nominal fee of one dollar will be charged.

A series of lectures and concerts is again being planned for the summer school. The college gymnasium and the tennis courts will also be available for summer students, as well as the new municipal swimming pool and golf course.

The administrative officers and faculty of the summer school include:

E. J. Braulick, President.
G. J. Neumann, Pd. D., English, Dean of College.
M. Wiederaenders, Ph. D., Education, Psychology, Registrar.
Guy Wagner, Ph. D., Education. (Professor of Education at Oswego, (New York) Normal School).
Mildred E. Smith, A. M., Education. (Superintendent of Schools, Bremer County.)
John Hiltner, Ph. D., Christianity.
Alfred Haefner, Ph. D., History.
J. Cornils, A. M., German.
Alf. W. Swensen, M. S., Chemistry.
Gerhard Ottersberg, A. M., History, Political Science.
A. Cotterman, A. M., Englisch.
Carl Muench, A. M., Business, Economics.
John Chellevold, A. M., Physics, Mathematics.
Elmer Hertel, M. S., Biology.
E. G. Heist, Mus. B., Music.
I. Marie Schele, A. B., Librarian.
Helen J. Wright, A. B., Art.

CALENDAR:
June 6—Registration for summer session.
June 8—Classes begin.
July 4—Independence Day.
July 17—End of six-weeks term.

Lyceum Course for Next Year Arranged

Wartburg's lyceum course next year will be one sent out by the University of Wisconsin extension division. The course will probably include the Hugo Brandt concert party, composed of a soprano, a baritone, and a pianist. Sam Gruth will lecture on "Getting by Your Hoodoo." Al Priddy, another lecturer, will speak on "Can Animals Think?" Bob Woods will offer a program featuring his abilities as a cartoonist. The Dixie Melody Masters are four negroes who specialize in folk music. Captain Carl von Hoffman is an explorer and lecturer. Other numbers may also be arranged, according to President Braulick.

THERE IS A PLACE

There is always a place for you, my friend,
A place that aims to a goal.
Whether a hand to trade you lend,
Or your life to a weary soul.

"The frontier is gone today", t'is said,
"Our thoughts must now cease to veer.
Those fickle fancies of men long dead
Are the fancies that we must fear."

WARTBURG STUDENTS HEADQUARTERS

"Go Forth Slowly" New Motto of Two Wartburg Students

Bicycle Built for Two Proves Good Means of Transportation.

The "bicycle built for two" is all right, agree Herb Arke and Ed. Dahlquist, two of the 6-foot% weeks-old boys into the wilds of northeastern Iowa, using a tandem bicycle for transportation. But they returned in a different way.

It all began one night last Monday when the attorney of the two, "Ole" wanted to start back for the hike but it took five hours going over to Strawberry, and we'd have had to start too early on Sunday to get back before dark.

"We go nice in the daytime but there aren't any lights on the bike, so we didn't care about traveling on the highway at night," he added.

"So, we didn't have any flat tires, but we formed a whole can of oil. I guess we were too fast," he said modestly. "But we had to get away from all the days that closed us."

John commented that all the people who saw the boys seemed to enjoy the sight. I hope nobody disagreed for I broke it on my first attempt to climb a hill and going the little distance I had before I got to the top I had to stand up most of the way. Arke was as much as he could and he seems proud of going to the town.

To illustrate, the valiant pair went to their first little farm. Dahrs considerate friend, if anything more helpfully inclined, brought the slow train engine. As Dahrs said, "It was a good thing it stood for better sleeping had been over since I pedaled."

According to Arke, the former record can be cut down, although he did not put emphasis to help keep the time. "The trip could be made in much less time," he intimated. "We were handicapped by having to preserve all the manufacturer of Dahrs farm."

OPEN HOUSE TO END SENIOR DAY

Aarhal, Hertel, and Swensen in Charge of Science Demonstrations.

As a suitable ending for a whole day of all-entertainment the Junior high school activities open house will be held at Wartburg Mod. E. beginning at 8:30 p.m. Guests will consist of the various teachers and during the demonstrations by the science departments of the school. Eight state experiments are being prepared by the 9th division chemistry and biology departments under the direction of Professor A. A. Aarhal, A. W. Swensen and E. W. Hertel, respectively.

Physics Demonstration.

The physics demonstration will include four stable to ten experiments. Ernest Engelhardt will have charge of experiments showing the effect of vibration. Elton Johnson and Alfred Engelbrecht will perform electrical experiments, using Ewald equipment, to show various types of motors alternating single phase and polyphase currents. The electric chime and the electric bell are also aim of charted bodies, experimented by Otto Matthias, Maurice Ernst and Otto Matthias, Maurice Ernst and Harry Reynolds. Demonstrations in weight will demonstrate the mass of specimens which shows curves as to which Ernest Hermann, Andrew and Ernest Hermann, Andrew and shows curves commonly known as Lissajous figures. Experiments showing discharge through vacuum tubes, Geissler vacuum tubes, and the X-ray will be performed by Ernest Hermann, Andrew Hermann, Edgar Johnson and Ernest Ewald will be explained by Carl Mueller and Edgar John respectively. The Lichtenberg figures, a resemblance of frost are to be conducted by Carl Mueller and Edgar John respectively. The Lichtenberg figures, a resemblance of frost are to be conducted by Carl Mueller and will be shown by Loren Matthias. Wireless experiments will be given by other members of the physics class.

Chemistry Experiments.

The experiments in the chemistry department will consist mainly of making certain preparations and testing them. Oxygen will be made from bleach corn, baking powder and iodine will be prepared, and solid water will first be made and then burned. Water, milk, and blood milk will all be made out of water, then will come under fire, and the reverse and tests given will be made with them. Sugar will be formulated from sugar, water and charcoal, the sugar converted and then, the various properties as ketones and paraffin, and will test for the same and to see if sugar is. A fire-fighting demonstration and a race between the solid and liquid will conclude this demonstrations exhibitions.

Exercises for open house will also be carried on in the biology department.

TWENTY-FOUR TO RECEIVE DEGREES

Commencement Activities Will Include Banquet, Musicale and Senior Day

Wartburg college will graduate twenty-four students on June 3, a majority of the degrees offered, A. B. and B. S. degrees.

Activities of graduation week are varied and numerous, including a senior day, a musicale and alumni banquet, a baccalaureate service, and the commencement.

Senior day, June 3, will open with a musicale rendered by the members of the senior class. A pageant, The Concordia, will follow shortly, will be rendered by members of the senior class and their guests.

The May Wartburg commencement will present a program featuring Walter Wismar, Wartburg music student, who won top honors in the district this year in the national auditions.

Dr. T. F. Gullixson, president of the American Lutheran Conference, will deliver the sermon in the baccalaureate service on May 31. Dr. Gullixson is also president of Luther Theological Seminary, St. Paul.

Another prominent speaker, Rev. W. G. Scott, executive secretary of the American Lutheran church, will be principal speaker in the commencement program on June 3.

An alumni banquet will also be staged, but plans have not yet been completed. Former students from all the schools which are consolidated in Wartburg are to be invited.

School of Music Trains National Piano Champion

William Mooney Will Enter Contest at Cleveland.

Mr. William Mooney, talented young pianist, who is enrolled in the Wartburg college music department as piano student of Professor P. G. Hoyer, will compete in the national high school music contest at Cleveland, Ohio, next June. That is as the national high school champion of 1930-1931 to commence him from entering the contest, although he cannot compete in the Iowa state contest in the piano division.

The competitions with which Mr. Mooney won last year are "Performers in the Water", by Debussy and "Polonaise" from Rhapsody No. 12 by Liszt. For this year's contest he is rendering "Ballade in G minor" by Verdi-Liszt, and the "Fountain" by Ravel.

Wartburg college is delighted to have Mr. Mooney as the only pianist for the musicale during commencement week. Among other selections he will play his winning numbers of the 1930 contest. All the ones he is preparing for this year's national contest.

The following are some of the

MR. WILLIAM MOONEY

comments received by Mr. Mooney from three outstanding Iowa pianists who were judges at Iowa City last May:

Very beautiful playing; splendid musicianship and excellent tone.—Mr. Hoyer.

Fine imaginative playing during the finals; another young artist.—Mr. Ernst.

at the Macey Special laboratory.

Members of the club were used as subjects for the demonstration.

Speech Club.

"How to Keep a Speech in Mind," was the subject of a talk by Eugene Leadership as a speech club meeting on April 28. Edward Wagner presented a humorous reading on Presidents. A general discussion closed the gathering.

Organizations Plan Social Activities.

Picnics and spring outings will be staged during May by several of the organizations at Wartburg. The Mendelian society is planning a picnic dinner for the evening of May 17. The "W" club will entertain the letter men from the Waverly high school at an outing the week of May 4. A picnic for society members only will be featured later in the month.

The Philalethian, Deutscher Verein and Irenicon club are planning outings for some time in May that no plans have yet been made. The Deutscher Verein has set May 11 as a tentative date for its holiday.

ANNUAL WILL BE READY MAY 13

Many Snapshots and Stories in Fortress Will Picture Life on Campus.

By Herbert Aldag

Within a few weeks Wartburg students generally fondly leave for their summer vacations. Before this annual exhibition will come on sale the 1931 Fortress, which will be a book to be on sale with a bang, if all goes well.

A fine cutting-case book with a soft cover will be used for the Fortress to be published from Wartburg. Four-color halftones will have his picture exhibited on the first page of the book. Other halftones and freehrmen will have group pictures of their classes. The active organization on the campus will have a picture to show its personnel. Feature stories describing the activities and major achievements of the school year will be added to complete the picture of life at the Fortress of his (or her) first year at Wartburg.

Since pictures are records that must be kept forever, the Fortress decides nine full pages of snapshots. Every picture will have its descriptive phrases which show student life in its humorous details. Slices of these pages will be developed from the following: Life in residing football, basketball, and baseball teams, activities of the different societies. The other six pages show what a real Wartburg student does during a year. Full 24 large pages together and you have more than a hundred pictures every one of which will interest you and you will be proud to own.

The annual staff has worked hard in order to make all publications yearbook. Having finished their work they have every reason that the Fortress they have a book that is complete in every way with any other yearbook of its size.

Librarian and Aids Recataloguing Books

A recent survey of our library shows that it contains more than 17,000 volumes, which is of which are being recatalogued by Miss Elsie Hertzler librarian and her assistants. 3,575 volumes have been recatalogued since January 1 and 2,849 cards added to the files.

The Wartburg students are making diligent use of the facilities of the library as shown by the fact that on the last few months students have received 500 library books.

Forty-four regular periodicals are to be found on the magazine racks, besides twelve which are given as gifts to the school. Among the contributors are Dr. C. H. Gramling of Waverly, the Kohnert Mutual Aid Society, the Bell Telephone company, the Rural Electrification and the General Motors Corporation.

SEMINARY NOTES

Wreen Schuetzmeister suffrier, Denver, Ia., spoke at a meeting of the International Fellowship group of the University of Dubuque Monday, Apr. 20. Outstanding features of German cultural and social life were stressed in the lecture. After the talk the group had an informal round-table discussion of Germany's economic and political situation.

The Rotary choir of Clarence, Nebr., had dinner with the seminary students Thursday, April 16.

Herbert Kinzy, junior, Walton, Minn., returned from Pastor Rosenthal, Dubuque, Sunday, April 19, and substituted for an appendix operation.

Seminary Society of Wartburg seminary sponsored an organ recital in the seminary chapel, given by Prof. E. C. Reichardt, Wednesday, April 15. Mrs. Reichardt, organist, assisted. Mr. Reichardt played Guilmant's Grand Chorus and Mrs. Reichardt rendered selections in Lemmens' and Mendelssohn's Sonatas April 15.

Otto Schmidt is recovering from a tonsilectomy performed in the Dubuque clinic April 16.

Miss Schatz librarian, has recently finished cataloguing the American and English literature sections of the library. The German literature is now being catalogued and the books of the seminary students' books for the summer school year will be taken from.

Wartburger Wins Prize With Canadian Threshing Story

Judt Awarded Watch for Best Story by Waterloo Sta.

"That's nothing—any old story can win a prize," the prize-winner said bashfully. And surely all Wartburgers know by now who is the winner of the watch offered for the best tall story over station WMT last week. Theo. Judt it is—a pre-theological student, a minister's son, and a Wartburg junior.

"It really wasn't a very good story; I've heard plenty of better ones up north. This is my first year in Iowa, though, and I guess this story must be new down here." As you probably remember, Judt is a Canadian product, and a loyal citizen of the Dominion.

That part about the origin of the story made us ask who told it to him, but he said he didn't remember. Campus gossip, however, has it that Dave Hermann has frothed at the mouth ever since a week ago last Sunday, when he discovered that Theo had won the watch, declaring that the tall story submitted by his fellow-Canadian has been his favorite anecdote for the last two years.

We pleaded for the story, but Theo was firm. "Nope, This one wasn't even very funny. Get Schultz or somebody to tell it to you, if you really want to hear it."

We could discover only that it concerned a threshing machine which was so big that part of it was in each of three Canadian provinces. It seems that the man who ran it had to use a motorcycle on the belt which connected all three parts, and that he was kept busy making the rounds. One day he heard an awful clatter in part of the machine and when he came to that part, he found another man running another threshing machine inside his thresher.

"Shucks," Theo protested when he discovered that his prize-winning story would be printed, if we could find an official version, "you don't want that one. Wait till I tell a good one!"

Perfect Weather Blesses Outfly At Ingawanis

What makes a perfect day? Wartburg plus Outfly, we say. And if Ingawanis, a river, Kreb's Ford, and kittenball are thrown in besides, all the better.

That all of these were combined with perfect weather a week ago Thursday was a happy accident, for until ten o'clock the skies were threatening. But all was well when the sun finally showed his face and all the eager outfliers heaved a sigh of relief and began kittenball games.

Moreover, there was really food, and plenty of it, even though it didn't appear until nearly one. But there was a reason for that, the Juniors say—Kreb's lizzie broke down at the wrong time. We may here note the lucky moment of the day—Coach didn't quite hit the graham crackers when he backed his car.

And about four o'clock, outfly wings trailed home, some in cars, a few afoot, and some valiant souls on bicycles.

MALE CHORUS PLEASES HEIST

Cooperation Is Encouraging; Next Year Tour Is Being Planned.

Prof. E. G. Heist, head of the music department and director of the male chorus, stated this afternoon that he was well pleased with the showing made by the chorus on its first spring tour.

Without exception the chorus was well received by the congregations on the itinerary, which included western Iowa and southern Minnesota. A total of 22 concerts were sung, starting April 1 and concluding with the final home concert in St. Paul's church, Waverly, on April 26.

A great many comments have been received as a result of the broadcast over station WOI, Ames, Iowa. In all of them the chorus is complimented on its splendid work. A number of the comments are published elsewhere in this issue.

Prof. Heist also stated: "It is really surprising what has been done. There are no trained voices in the choir. The men all cooperated, were enthusiastic; and that makes for much in any kind of work"

Plans are already being formulated for next year. With many of this year's members back for next year, a foundation will be there for greater and more extensive work. The itinerary will undoubtedly carry the chorus into northern Illinois and into central Wisconsin.

In concluding Prof. Heist stated, "It is with great pleasure that I look forward to next year's work with the male chorus."

The itinerary of the chorus was as follows:

Readlyn, Iowa; Waterloo, Iowa; Sheffield, Iowa; WOI, Ames, Iowa; Belmond, Iowa; Lytton, Iowa; Manson, Iowa; Palmer, Iowa; Craig, Iowa; Sheldon, Iowa; Melvin, Iowa; Jackson, Minn.; Welcome, Minn.; Celyon, Minn.; Myrtle, Minn.; Toeterville, Iowa; Charles City, Iowa; Maynard, Iowa; Sumner, Iowa; Waverly, Iowa.

STUDENTS ELECT TRUMPET HEADS

Temporary News and Sports Editors Chosen to Assist.

Richard Gronewold and Gerhardt Reiff were elected Trumpet heads for the next year in an all-school election on April 14. Mr. Gronewold, assisted by Hiltrude Braulick, runner-up in the election, will be in charge of the editorial department; Gerhardt Reiff and Eugene Leschensky will manage the business staff.

Martin Ackermann and Walter Frederick are temporarily in charge of sports news. Mr. Ackermann wrote sports stories for The Arrow, St. Paul Luther student paper. During the last semester he has written Wartburg sport news for various city papers as well as the Trumpet.

Arthur Salzmann has been chosen temporary news editor. He has experience as editor of the Dubuque high school publication. He writes Wartburg publicity for various newspapers.

A feature editor, as well as a greater part of the staff, will be chosen next fall. They will be selected from the journalism class and will write Trumpet news as class assignments.

Intramurals Prove Important Activity

An intensive program of intramural sports has been carried out under Coach Hertel the past year. Tourneys were formed in kittenball, basketball, volleyball, tennis, horse shoe and golf the past season.

Although no medals have been awarded to the winning teams as yet, it is expected some trophies will be awarded before the end of the year. Medals will be given to winners of individual competition, such as tennis, horse shoe and golf.

Rev. A. H. Braun, field director of Wartburg, returned this last week from Wisconsin, where he did publicity work for the college. While in Wisconsin he attended three pastoral conferences.

who spoke on the topic of "Unity", defined unity as "the common purpose in striving toward God".

"Such unity of purpose," he said, "is the real basis for happiness. A Christian college is one object in the creating of unity."

Special guests at Wartburg at the banquet were honor students from the Nashua, Plainfield, Tripoli, Denver, Allison, Shell Rock and Janesville high schools.

During the banquet musical selections were played by the string ensemble, composed of Mae Cain, Gertrude Guetzlaff, Olga Lickiss and Evelyn Moulton.

Blue and white formed the general color scheme of the banquet. Blue and white streamers falling from a false ceiling formed the main part of the decorations.

The ladies of the Frauenverein of St. Paul's church managed all the cooking and serving.

Officials of the Pep club, who sponsored the banquet, are Paul Plotter, president; James Russell, vice-president, and Rosalma Neubauer, secretary-treasurer.

KNIGHTS BEAT ELLSWORTH IN 7-INNING GAME

Wartburg Stages Rally in the Fourth Inning.

Erratic playing broke up a pitchers' duel in the fourth inning as Wartburg won its first home game by defeating Ellsworth 6-3.

Ellsworth scored its first run in the fourth on an over-throw at third and garnered two more in the fifth on a long double by Dillon after Walters got on by a bad throw by Kepler to Knitt and Verink singled.

Wartburg Rallies.

The Knights rallied in the last half of the inning when Opperman scored as Engelbrecht bunted and a drive by Kammerer allowed Augie to score. Williams drew a base on balls and on a double steal Kammerer and Williams landed on third and second, who scored on fielder's choices of Kuester and Herman. Wartburg cinched the game in the sixth frame when Knitt and Opperman came in.

Dillon set the Wartburg men down swinging in the first four innings. Engelbrecht came in for Herman in the fifth and although allowing two runs in that inning he chalked up 7 strikeoutss in three innings.

Kaiser Supervises Athletic Program for Wartburg Coeds

Tennis, Soccer, Track, Basketball Form Sports Lineup.

Under the direction of Miss Katherine Kaiser, dean of women, Wartburg co-eds have enjoyed a very successful year in athletics.

They have had both numerous and diversified activities ranging from biking to soccer in the fall, basketball and volleyball during the winter months and now in the spring their efforts are being turned to tennis, kittenball, and track.

Play High School

One of the highlights of the girls' athletic program was a series of basketball games with the high school girls. Because of the interference of the men's schedule it was impossible to put on a public exhibition, yet the girls built up a rivalry between themselves in their inter-squad games.

Tennis is now being received with very much enthusiasm by the girls, and Wartburg's courts are in continual use after class hours and during gym periods. A kittenball schedule is being worked out, and it is hoped to train the girls in a few track and field events also. Considerable activity was displayed by the co-eds in the latter part of April and early part of May in practices for a May Fete and Maypole dance given on Senior Day.

MISS KATHERINE KAISER

Schedule Worked Out

Miss Kaiser and Miss Martin of the High School are arranging an athletic program for the girls next year so that the rivalry which was fostered this year may continue next year by a definite arrangement.

KNIGHTS DROP SEASON OPENER TO UPPER IOWA

Knights Held to One Hit While Pfeffer Hurls Good Ball.

The Upper Iowa Peacocks, behind the one-hit pitching of Gehrke and Thomas, managed to shut out the Wartburg Knights 2-0, in the season's opener at Fayette, Tuesday, April 21.

The Knights got their only hit in the eighth inning when Kammerer beat out an infield hit to spoil a perfect game for the Upper Iowans. The Peacocks scored their two runs in the third inning when they combined three singles, a base on balls, and an infield error to chalk up their only scores of the ball game.

Upper Iowa threatenend once again in the sixth inning when they had men on second and third with two down, but Pfeffer set down Thomas, swinging to end the inning. Wartburg's only threat came in the first inning when Luetkens, lead-off man, drew a walk and stole second and third, only to have Kepler, Knitt and Oppermann go down swinging.

The Wartburg team showed up well defensively but lacked power at the plate. In the first inning Kepler pulled down a fast hit and threw to Knitt for the only double play. The Knights counted another good play in the sixth inning. Gehrke, first man up, tripled to deep center and was out at the plate attempting to stretch it into a homer. The play went from Reitf to Kammerer to Luetkens to Oppermann.

The Knights stole three bases, while the Peacocks attempted only one steal which was unsuccessful. Upper Iowa's lefthanders, Gehrke and Thomas, combined to strike out 18 Knights and issued but one pass, while Pfeffer, going the route for Wartburg, struck out seven and issued two passes.

IOWA LOOP PLACE THOUGHT SURE

KNIGHTS APPLY FOR IOWA CONF.

Courier Editor Expresses Belief Wartburg to be Granted Franchise.

Wartburg has now made formal application for membership in the Iowa Intercollegiate Conference. The question now is, will Wartburg be granted a franchise in this loop? This will be determined at the annual meeting of the circuit at Indianola May 15 and 16. Ed Moore, writer of the Waterloo Courier, has the following to say about Wartburg's application, in his column, "Off the Cuff," in the April 26 issue:

"Wartburg College will be granted a franchise at the annual meeting at Indianola . . . that seems to be the feeling of conference coaches . . . and it appears likely that Wartburg will be able to muster the necessary two-thirds vote . . . the only objection to Wartburg's union is her small gym . . . which may be overcome by using the Waverly high school floor . . . otherwise Wartburg meets the conference requirements."

Thus it looks as if Wartburg's application will be accepted, and she may be playing Iowa conference teams next fall. Let us hope that Wartburg will benefit by this new athletic set-up.

KNIGHTS LOSE CLOSE GAME TO ELKADER ARABS

Pfeffer Hurls Two-Hit Game; Poor Support Given.

Although Pfeffer allowed the Elkader Arabs but two hits, the Knights lost to the Elkader team 2-1 in a game played at Elkader on Thursday, April 30. Pfeffer did some fine twirling on the mound for Wartburg but was given erratic support, the Knights committing six errors.

Again the Knights showed themselves weak at the plate, connecting for only three singles. Better base running would have resulted in at least one more run for the Knights when Williams managed to get to second with none out in the sixth inning but was caught off the base after Knitt had gone down swinging.

The Knights drew first blood when Williams, lead-off man, got around to third on Kepler's single and scored on a fielder's choice. The Knights had another opportunity to score in the sixth, but Knitt struck out, Williams was caught off second and Oppermann popped out to first to end the inning.

Elkader scored in the second inning when Saugeling got on through an error and scored when Pfeffer threw wildly to first on Olson's bunt. Saugeling scored the winning run also in the ninth inning when he again gained first on an error and scored on a hit by Olson after two were down.

GOOD FOOTBALL TEAM EXPECTED FOR NEXT YEAR

Large Squad of Lettermen to Return For Schedule.

Although the Knights experienced a disastrous season last season in football, a much better team is anticipated next fall.

The Wartburgers last season developed a strong team as the year went along, but a late start, coupled with the newness of players with one another and the coach, held the men back from a good showing. Since that time the men have become acquainted with each other, and if Wartburg has a training camp of one or two weeks before school opens next fall these difficulties wil be overcome, and a good showing should be made.

Wartburg opened the season last year under the lights at Mason City and was defeated by the Jaysees 20-6. The following week the Knights journeyed to Platteville, Wisconsin, only to be turned back with a 6-0 loss. The next two games were played at Waverly. The first game resulted in a victory for Milton 7-0 and Aurora captured the Homecoming game 19-0. A journey to Watertown resulted in a 7-6 loss to Northwestern, and the Knights dropped the final game of the year to Fort Dodge 23-0.

Walt Steege, one-armed left tackle, was elected honorary Captain for last year, while Arthur Nickel, Almena, Wis., has been chosen captain for next fall. Wartburg succeeded in placing two men on the coaches' Tri-State conference team. Art Nickel grabbed an end position, while Ed Horden was awarded a half back post.

The Knights have lined up an eight-game schedule for next fall. Four, and probably five, games are to be played away from home, and one game has been scheduled with Dubuque U., an Iowa Conference team.

There should be an abundance of material reporting for practice next fall. Only one senior, Ray Meyer, will be lost through graduation. Most of the other men are expected to return, and those, coupled with the freshmen of last season and the new men coming in, should form a formidable aggregation.

The 1936 schedule:

Sept. 24—Estherville, there.
Oct. 2—Wisconsin Miners, here.
Oct. 9—Waukon, here.
Oct. 16—Milton, here.
Oct. 23—Mason City, there.
Oct. 30—Northwestern, here. (Homecoming.)
Nov. 6—Graceland, there.
Nov. 13—Dubuque U., site tentative.

Knight Flashes

One thing I have noticed during the year is the progress which the fellows have been making along the lines of team spirit. The lack of it at the beginning of the year was due to the newness of the coaches and all players. There was a decided improvement in basketball, and there is still more in baseball. Next year we should be hitting on all eight.

Horseshoes Popular.

Aroused interest at the boy's dorm in horseshoes has made necessary the construction of three courts in the rear of the dorm. The courts have been made with a good clay footing. The men seem to be always calling for Seidel to serve on their doubles team . . . Wonder if the girls will fall in line and play quoits this spring?

Luther Coaches Have Good Year.

M. "Dan" Sheatsley brought his J. H. S. team in at second place in basketball race in Columbus, Ohio, city league, while "Joe" Rognstad led his Valley City team to the North Dakota state semi-finals.

Tennis Courts Erected.

The recent erection of tennis courts on the south side of Main building seems to have met with the approval of the students. A few are already out slinging the racquets around. I had heard several comments down town saying that they hoped the courts would be well taken care of so that there would be more courts in town. Tennis is a fine sport which may be indulged in all summer. Here's hoping more students make use of the grounds.

School Spirit which was so manifest during the basketball season seemed to have taken a drop at the season opener with Ellsworth. Although we are not in any conference for baseball, lets get behind the team. Hope to see the whole student body at the Upper Iowa game. Come on out and get an idea of how we rate with Iowa conference schools.

Sports Notes from Other Colleges.

Hebrons Wins Nebraska Junior College title in basketball . . . Canadians report Luther won Provincial track trophy in 1930 . . . Hamline has won Minnesota basketball title five years in a row . . . and looks good for a few more . . . Capital U. grabbed its first football championship . . . Len Hultgren still maintaining Gustavus entitled to slice of Minnesota football pie.

Bull Sessions seem to have been replaced as the indoor sport at the men's dorm by Monopoly. Dean Fritz will now have another obstacle to overcome in trying to make the boys turn out the lights at 11.

Brevities.

Brevity was my Choice in the Kentucky Derby . . . Was reminded of David and Goliath when Herman was on the mound . . . The Canadian war song . . . "Canuck it over the fence" . . . Wondering what coach will use instead of towels during baseball . . . he would look funny chewing on a broken bat . . . Peacock maintaining that he once made a ringer . . . Nominating "Philbert" Matthias for bat-boy . . . Baseball men bringing "strawberries" to boarding club after sliding practice . . . Wondering who will be first brave student to try river swimming . . . Professor Fritz trying every night on North field to make a team out of the Rinkydinks . . . Will Wartburg beat Upper Iowa?

BASEBALL GAME TO BE FEATURE OF SENIOR DAY

Game Scheduled to Start at 2:30; Return Meet Soon.

The Wartburg College Knights will battle the Upper Iowa Peacocks in a return battle on the Wartburg diamond at 2:30.

In a previous game with the Peacocks the Knights were held to only one hit, while Doc Dorman's men garnered nine hits to defeat Wartburg 2-0. Inability to hit the old pill around the lot cost the Knights a chance to take the season's opener. However, since that time Wartburg has found its batting eye.

The Knights have been getting in a lot of practice lately in preparation for this game after they had been retarded so late in the spring due to cold weather. The Knights have been fortunate in having Professor Fritz as assistant coach to Coach Hertel as an aid in getting them into shape for this contest.

Coach Hertel has a pitching staff of two righthanders and two southpaws, whom he may use in the fray. Slinging from the right side we have two Canadians, Pfeffer and Herman, while Engelbrecht, who counted a victory over Ellsworth, will probably be called on to pitch in this game, and Williams to sling from the port side. And behind the plate we will find Oppermann.

In the infield we will find Knitt at first, Luetkens at second, Kepler at short and Renning at third. The outfield will be taken care of from right to left by Kuester, Reiff and Kammerer.

KNIGHTS TO PLAY MASON CITY MON.

Strong Nine, State Winners In 1935, Expected to Be Stiff Opponents.

The Wartburg Knights will entertain the strong Mason City baseball team here Monday afternoon. The game will start at 3 o'clock and will be played at the fair grounds.

The Mason City outfit captured the state honors last season in baseball and their record, so far this season, indicates that they again will be strong contenders for the honors.

The Knights, as a team, have shown rapid improvement during the past week and should be in excellent condition for the game, according to Coach Hertel.

Hermann is expected to pitch against the Mason City team, and also against the Upper Iowa nine on Friday.

Special class schedules will be used during test week, according to a recent announcement of the registrar's office.
